We now invite student bodies to submit proposals on projects aiming at promoting understanding of and support to students with SEN. Sponsorship will be provided to the selected projects.

All CUHK undergraduate and postgraduate student organizations are eligible to apply. Student groups that are not registered student organizations (e.g. informal student groups formed in classes, hostels and Colleges) can also apply.

The maximum amount of sponsorship is $8,000 for each successful application. Application is open until 1st Mar 2016. The funded project should be completed by 1st Apr, 2016.
