Tainan students were amazed by the traditions and pretty scene of Sai Kung as well.

仁澤服務學習計劃: 四川服務學習之旅 2016

Aiming at transferring knowledge and teaching English through the one-week education in Enting Elementary School (恩庭小學) in Sichuan, the College students realized that it is no easy task. However, though uneasy to improve the young children’s academic performance in a short time, our Sunnies worked their best to conduct interactive and interesting lessons. They were so surprised by the enthusiasm of the school kids for the lessons and appreciated their diligence and active involvement in class.

Apart from teaching English, the 11 students also participated in a series of cultural exposure activities, organized by University of Electronic Science and Technology of China (電子科技大學), together with the local counterparts. Singing and dancing with the village residents, our students experienced the ancient but lively Qiang (羌族) culture and built strong bonding within the team.

The meaningful summer with sweet memories will not be made possible without the guidance of the leading teachers, Mr. Nelson K.T. Lam (林國棠先生) and Ms. Miranda K.Y. Lee (李幗怡女士); and the advisors, Dr. Jose S.H. Lai (賴陳秀卿博士), College Fellow and Director of ELTU and Mr. Tang Wai-hung (鄧惠雄先生), Senior College Tutor and Director of College Service-Learning Programme.
