8. English through Music and Songs Appreciation: An Evening with Laymen in Jazz
To many, jazz is often regarded as a sophisticated and high-end form of art, exclusive to only the few who know how to appreciate the genre. “Laymen in Jazz” has been playing jazz standards and performing regularly for some years with the aim of reaching out to a wider audience in the local jazz scene. They believe that jazz should not be exclusive and that it is possible for everyone to understand and appreciate the beauty of this particular genre. The group performing for the evening will comprise of five musicians, including band leader Barry on bass, Jonathan on melodica, Six on guitar, Ivan on drums, and Elaine, the guest vocalist for the evening. Song selection will include *It's Only a Paper Moon*, *Stella by Starlight*, *It Could Happen to You* and *Fly Me to the Moon* – all poetic and lyrical.

Come chill-out after work and classes, and enjoy a relaxed evening with Laymen in Jazz by the sunset at Wu Yee Sun College.

**Elaine’s biography**

Dr. Elaine Ng is a lecturer in the English Language Teaching Unit (ELTU) at the Chinese University of Hong Kong. She holds a PhD from the University of Sydney (USYD) and started her career in Australia. She is passionate about teaching and genuinely enjoys working with her students.
