The team chose the "Rock Cavern development policy in Kowloon" as the study topic for discussing HK land policy and were requested to give viable solutions to this controversial social problem. During the Finale held on 22nd Jan, they needed to persuade the judges coming from various parties in the society to support their ideas in only eight minutes! Heartiest Congratulations from all Sunnies!

2. Consultation Forum on the Expected Qualities of the next College Master of Wu Yee Sun College

Consultation Forum on the Expected Qualities of the next College Master of Wu Yee Sun College was held on 16th Jan 2017 at the College Theatre. The Representatives of the College Assembly of Fellows on the Committee for the Appointment of the Next College Master announced at the Consultation Forum the views collected via the online consultation conducted earlier, and listened to the opinions raised by the students, staff members and alumni of the College. Based on the opinions collected thus far, a list of six selection criteria has been summarized, and invitation for suggestions for the next College Master of Wu Yee Sun College is now open until 3rd Feb 2017. For details, please refer to the mass email sent by the College on 17th Jan 2017, or here.

3. Alumni Career Sharing Session

On 18th Jan 2017, a fruitful Career Sharing session was conducted by college alumnus, Mr. Edwin P.S. TY (鄭栢誠先生), college graduate of Class 2016 majoring in System Engineering & Engineering Management. As a recent graduate, Edwin shared his experience on how to plan his own career direction and develop career strategy back from Year 1. He also gave some practical tips on how to enhance one’s social media profile in order to draw the attention from potential employers. He ended his speech by encouraging our students to develop their strengths and suggested some useful online education resources for lifelong learning. We look forward to organizing more of such events in the coming years to increase alumni involvement in students’ career planning and personal development.
All hostel residents were invited to join a red banner writing activity initiated by hostel resident tutors on 18th Jan to share the festive atmosphere and illustrate the tradition of Chinese New Year. They wrote their new year wishes as well as blessings to their friends and had a jubilant night with College Master, Professor Rance P.L. Lee (李沛良教授), East Block Warden Ms Sandy P.S. Lee (李珮珊女士) and West Block Warden Professor Pun Kong-pang (潘江鵬教授). Everyone shared not only laughter but also the sweet treats prepared by the resident tutors!

With the continuous effort of Green Team, it is now harvest time for the salad lettuce grown at our Rooftop Organic Farm. Such special gifts were of course presented to College Master Professor and Mrs. Rance P.L. Lee (李沛良教授及夫人), as well as shared with other Wu Yee Sun students in the form of free-style salad booth! Would you like to join hands with us and grow your own plants at the farm? Enroll now Rooftop Farming @ Wu Yee Sun College and also “like” the Green Team Facebook page for other green activities!

The International Cultural Festival kicked off with the relaxing Salsa Dance Night held on last Thursday. Under the guidance of Miss Maria Consuelo Vega Leon, College Member and Assistant Lecturer of Department of Linguistics and Modern Languages, all the participants got rid of their daily stress with the elegant dancing steps. If you missed the chance to dance last week, come to join our next Salsa Dance Night to be held on 16th Mar 2017!
Most people see darts as a casual fun game, but it does require plenty of skills to excel this sport. Professional darts player Mr. Haze C.H. Leung (梁卓禧先生) demonstrated to the class that tossing darts requires hand-eye coordination, concentration, body flexibility and strength. Student and teacher participants began with warm-up exercise and learnt how to hold the dart, balance their stance and throw the dart in a trajectory line. Aiming at the bull’s eye also a good way to distract the participants from their stress.

It’s been a while since the beginning of academic year. Year 1 students are most welcome to share doubts, problems or fun things to their advisors. Mr. Philip K.H. Leung (梁光漢先生) and Professor Cheung Tak-sing (張德勝教授), Senior College Tutor, met with their respective group of advisees for lunch on 12th Jan and chatted about their College and University life. Don’t forget to contact your group and see your friends again this term!
