3. Summer Camp with CUHKFAA Chan Chun Ha Secondary School

The second year of the Summer Camp with CUHKFAA Chan Chun Ha Secondary School (香港中文大學校友會聯會陳震夏中學) welcomed 30 Secondary 5 students to enjoy 3 days 2 nights with our student mentors. Some of them utilized their experiences as mentees of our College Mentorship Programme to design and lead the programmes for the secondary students.

Apart from the exciting games to warm up the atmosphere, students also had the opportunity to better understand their strengths and weaknesses in the JUPAS mock interview workshop. To enhance students’ reflections about the camp, mini-project was introduced to let the students express their aspirations towards university life. Their presentations in video clips, comics and drama impressed the audiences with their creativity and talents.

We were also honoured to have Professor Man-hong Lai (黎萬紅教授), Acting Dean of Students to join the lunch and share with the students. Professor Patrick W.L. Leung (梁永亮教授), Chairman of College Student Counseling and Discipline Committee was very supportive as well by delivering a lecture about psychology, which encouraged students to better understand themselves.

The mutual learning experiences were beneficial to the personal growth of both parties. Secondary students gained better ideas about their characters during the camp and built connections with our student mentors. Meanwhile, our student mentors were able to reflect the choices they have made in the university and re-think their future career.

Our heartfelt thanks again for the student mentors and hope to see the secondary students to join our College soon!
