Sunny Review 上周回顧
1. Creativity Talk: From Making to Entrepreneurship – The MIT Way
The College was honoured to have the guest speaker, Ms Elaine Chen, to present a talk themed with “From Making to Entrepreneurship – The MIT Way” in Creativity Laboratory last Thursday (18\textsuperscript{th} Jan 2018). Ms. Elaine Chan is a senior lecturer at Massachusetts Institute of Technology Sloan School of Management and an Entrepreneur-in-Residence at the Martin Trust Centre for MIT Entrepreneurship. She is also a startup veteran and product strategy and innovation consultant who has brought numerous hardware and software products to market.

She shared the joy and fun for having classes with MIT students. Students can simply work out their prototype with cardboard, rubber band, pencil and duct tape to create a “machine” flying an object into the air. She also shared a number of successful cases among her students and their works during the talk. Participants enjoyed the talk and asked questions on the inspiration of creative work, the way to evaluate if an idea works or not and how to start a start-up as a university student and so on. Our college presented a book co-authored by our students as a gift to Elaine. All the participants had a fruitful, fun and enjoyable night throughout the talk.

2. College Forum: Identity in Film-making (Speaker: Ms. Ann Hui)

The College Forum entitled “Identity in Film-making” was conducted by Ms. Ann Hui (許鞍華女士), film director, producer, screenwriter, last Friday. She reviewed her works “Song of the Exile” (客途秋恨) and her documentary “As Time goes by” (去日苦多), which greatly relate to herself and her Japanese mother, who spent most of her life in Hong Kong while missing her homeland. She then shared how her views on homesickness have changed over the years, and concluded that we should not be bounded by our presumptions. She then discussed with students the film industry and identities in the field.

We were grateful to have Professor Hin-wah Wong (黃顯華教授), Senior College Tutor, Wu Yee Sun College and Adjunct Professor, Department of Curriculum and Instruction and Hong Kong Institute of Educational Research, moderating the Forum.
