Congratulations to the Women’s Team for seizing the bronze medals after rounds of keen competition on 11th Feb!

2. College Forum: Impact of the Virtual World on International Relations – Brave New World (Speaker: Prof. Simon X.H. Shen 沈旭暉教授)

![Image of forum](Back to top)

The College Forum entitled “Impact of the Virtual World on International Relations – Brave New World” was conducted by Prof. Simon X.H. Shen (沈旭暉教授), College member and Associate Professor at the Faculty of Social Science, last Friday. He discussed with
students how the development of technology and the virtual world has become more significant to the real world. People from different regions are now more connected by the internet and advancement in transport, and they develop multiple identities other than their physical status.

We were grateful to have Mr. Wilson Chan (陳偉信先生), College member and Lecturer of the Global Studies Programme, moderating the Forum.

3. “Meet with Dean” Lunar New Year Lunch 輔導長團年飯

Professor Man-hong Lai (黎萬紅教授), College Dean of Students and Professor Ming-kay Poon (潘銘基教授), College Associate Dean of Students hosted Lunar New Year Lunch for students on 6th Feb. 4. Film Screening and Sharing Session on “War of the Youth” <青春戰記>電影欣賞及導演分享會

Film Screening and Sharing Session on “War of the Youth” <青春戰記> was held last 6th Feb at the College Theatre. We were very honored to have invited Mr. Fung Ho (賀峰先生), Director of the film, to watch his work together with the participants. The director also shared with participants the hard work and difficulties behind a good film and how he pursued his interest and dream on film making in spite of his unrelated background - a graduate from the Department of Statistics at CUHK. We were also grateful to have Prof. Kelvin K.F. Tsui (蔡錦輝教授), College Fellow and Research Associate Professor of Stanley Ho Big Data Decision Analytics Research Centre, moderating the sharing session.
Writing red banners and tasting traditional Chinese New Year snacks brought not only fun but also a sense of reunion in the College hostels. No matter they are from the West, the East or our own city of Hong Kong, hostel residents joined our Residents tutors, Wardens and College Master to celebrate Chinese New Year. Students wrote down their wishes on red banners and sent their blessings to friends and family. Wish every Sunny a warm and joyful Chines New year!

7. Fun Fun Chinese New Year by College International Team

The Chinese New Year is coming and it is a very important and traditional festival for Chinese to reunite with family members and relatives. Therefore, the International Team and the College organized Fun Fun Chinese New Year on 8th Feb in the Wu Yee Sun College Staff Canteen to celebrate the Festival with our College students together. Participants included local, exchange and international students.

The staff canteen was decorated with Chinese lanterns and red banners. Participants also learnt how to write Chinese red banners using regular and seal script. During the event, students from different regions shared how Chinese New Year / New Year is celebrated in
their hometown. They also taught each other how to say the blessings in various languages and imitated the practice of giving and receiving red packets. Apart from that, participants had fun guessing the English riddles hung under the lantern and had the chance to taste some traditional Chinese food for celebration of Chinese New Year. For example, they tried rice cake, turnip cake, sesame balls, crispy pastry dumpling and some sweets in the candy tray while at the same time learning the meaning of eating them.

8. Food Tasting by Focus Group of Student Canteen

A group of Sunnies joined the focus group last Monday to taste the new food and drinks to be introduced and express their opinions to the caterer, so that the quality of new food can be improved when they are launched. Hello! We are AIESEC in CUHK, an international youth-run organization aiming to develop youth leadership.

YouthSpeak forum is a place where youth can interact with people from all walks of life, to inspire and discuss with one another. Our YouthSpeak Forum is arranged to inspire the delegates through power talks and keynote speakers. We want to open the minds of delegates to think differently and spark new innovations.

The theme for this year’s forum is LGBT equality (SDG #5 and #10). We always question ourselves: Apart from changing our profile pictures into rainbow flags, what more can youth do for LGBT equality? Are the power of youth so limited? Therefore, we are honoured to have invited few guests who are active and passionate in this field to share their opinions. Through the forum, we aspire to reach several solutions or ways we can contribute for LGBT development in Hong Kong.
