2. clab Venation Bookmarks DIY Workshop 葉脈工作坊

In this autumn, Creativity Laboratory (clab) encouraged you to make use of tree leaves to create your own venation bookmarks. A DIY workshop was held last Thursday to share the skills and techniques on how to create unique bookmarks with just THREE steps:

1. Boil the leaves
2. Remove the green pigment on leaves and wait till dry
3. Cover with lamination

You can create your own bookmarks in various shapes and colors as you like. Those who have missed the workshop are welcome to follow the above steps and make your own venation bookmarks!
3. Hostel Floor Gatherings 宿舍層聚

Hostel life is of great fun! Every month, Resident Tutors organize floor gatherings to mingle with resident students and create occasions for residents to meet their fellow floor-mates. Freshmen students shared about their difficulties in adapting to university and hostel life while senior year students offered tips. Together they build a supportive community in the hostels. If you still haven’t met your floor-mates or resident tutor, don’t miss the chance this month!

4. College Student Advisor Scheme Gatherings 師生茶聚
To help new students settling in College life, we match them with a College member to serve as their advisor. More than 10 groups of students gathered with advisors in the previous two weeks. While enjoying the lunch, students shared the questions and thoughts they encountered in the first month of their university life.

5. Quick News of Inter-collegiate Competitions Results

College Basketball, Volleyball and Football Teams participated in the Inter-collegiate Competitions (preliminary rounds) over the past week.

Congratulations to Men’s Basketball Team for entering the next rounds which will be held on 16th and 18th Oct! Let’s cheer for them!

Our hearty thanks to all teams for their devotion in trainings and competitions!
