Introduction
Global Learning Award Scheme aims to encourage students to create, design, plan or participate in non-local academic or experiential learning programmes, so as to broaden students’ international perspectives and enrich their experiences. Students need to demonstrate from the application documents and interview that the programme applied is beneficial and valuable to them instead of just simply for entertainment. For successful applicants, they will be awarded “Global Learning Award” and receive the award amount after fulfilling all post-trip requirement on time. For more details, please refer to the webpage of GLAS.

Programmes organized and subsidized by the College and Term-long Exchange Programmes are excluded.
