Sunny Review

1. Two College Students Awarded the Hong Kong Jockey Club Scholarships
Congratulations to our College students Mr. Arthur C.H. Chow 周澤亨同學 (IBBA Global Business Studies/2) and Miss Cecilia S.Y. Leung 梁詩雅同學 (Public Health/2) who have recently been awarded The Hong Kong Jockey Club Scholarships, recognizing not only their achievements in academic studies, but also their good character, demonstrated leadership and commitment in social services. Heartfelt congratulations from all the Sunnies!

2. 追尋歷史的軌跡 — 西安

Ten Sunnies had a fruitful time in July at the Xi’an History and Cultural Tour co-organized by our College, Chung Ying College of Xi’an Jiaotong University (西安交通大學仲英書院), and Stanley Ho East Asia College of the University of Macau (澳門大學何鴻燊東亞書院).

With the company of students from Chung Ying College, participants learnt and experienced Xi’an’s history and culture through various activities such as visiting museums, attending talks hosted by professionals, appreciating Qingqiang opera performance and putting on traditional Chinese costumes. They also gained more insights into
the current development of the new villages in Mainland China. The programme was particularly meaningful when the participants from the three Colleges engaged in voluntary service in Xingqing Palace (興慶宮), demonstrating their care for others and social responsibility.

Apart from enabling participants to have a deeper understanding on Chinese history and culture, this programme also created opportunities for university students from Mainland China, Macau and Hong Kong to gather and exchange views on different issues, as well as establish friendship across borders.

3. Summer Camp with CUHKFAA Chan Chun Ha Secondary School

This summer was filled with laughers of CUHKFAA Chan Chun Ha Secondary School students and our College student mentors. Twenty-seven S.5 students were warmly welcomed by our student mentors on 15th July and started a 3-day summer camp together.
Our student mentors designed several games to train students’ cooperative and analysis skills. They also shared with the secondary school students their experiences and challenges faced in their university life. Through the JUPAS mock interview and the innovative session of “Letter to Yourself after DSE”, the secondary school students have identified their strengths and weaknesses through self-reflection. With the valuable feedbacks from the student mentors, they are now better prepared for their JUPAS interview next year.

We were also honored to have Dr. Laurie Lau (劉耀忠博士), mentor of Rance Lee Mentorship Programme, to deliver a talk on STEM Education and Development in Hong Kong.

On the last day of the camp, students presented their mini-project in video clip or drama to express their aspirations towards university life. The secondary school students have now gained much more confidence and persistence, and the connections built with our student mentors made the camp more treasurable.
Over 320 students from secondary schools in Hong Kong, Mainland China and overseas participated in the Summer Institute (SI) this year. College Associate Dean of Students Dr. Po-kin Leung (書院副輔導長梁寶建博士) delivered a speech to the participants to highlight the College’s missions and key initiatives. Organized by OAL, SI was a two-week credit-bearing programme offering participants to experience campus life while exploring different academic fields at CUHK.

College Announcements

1. New College Members 新增書院成員
The following CUHK staff members have recently joined Wu Yee Sun College as teacher affiliate. Warm welcome from all the Sunnies!

Professor Liting Duan 段麗婷教授
Assistant Professor,
Department of Biomedical Engineering
BS (Renmin Univ. of China); PhD (Stan.)

Professor Duan received a Bachelor degree in Chemistry from Renmin University of China in 2010 where she worked on the fabrication and application of micro/nano-patterned structures using hot micro-contact printing. She moved from material engineering to biochemistry/biophysics for her doctoral studies at Stanford University.

Professor Sibo Wang 王思博教授
Assistant Professor,
Department of Systems Engineering and Engineering Management
BEng (Fudan); PhD (Nan. Tech.)

Professor Wang joined the Faculty of Engineering of CUHK in December 2018. His main research area is database and data mining. He is currently interested in efficient graph query processing for massive graphs and designing algorithms that are practically efficient whilst providing strong theoretical guarantees.

**4. Global Learning Award Scheme (Winter Round) 寧宇學習獎勵計劃 (冬季)**

**Introduction**  
Global Learning Award Scheme aims to encourage students to create, design, plan or participate in non-local academic or experiential learning programmes, so as to broaden students’ international perspectives and enrich their experiences. Students need to demonstrate from the application documents and interview that the programme applied is beneficial and valuable to them instead of just simply for entertainment. The College Student Exchange Committee will then determine if the students can be awarded, and the award amount (if any). For successful applicants, they will be awarded “Global Learning Award” and receive the award amount after fulfilling all post-trip requirement on time. For more details, please refer to the webpage of GLAS.

**Eligibility**  
All Wu Yee Sun College students (except Exchange students) are eligible for application. The programme joined or planned must be finished by their corresponding graduation date. Some examples are students self-initiating or joining overseas tours, academic conferences, competitions, field trips, courses, internship/major-related placement, research, voluntary service. Programmes organized and subsidized by the College and Term-long Exchange Programmes are excluded.

**Maximum Award Amount**  
The maximum award amount varies with the programme length and programme nature.
