1. Incoming Exchange Students – College Time

31 incoming exchange students from 15 different regions are joining our College this semester! The College organized a Virtual College Time to express our warmest welcome to them on 19th August. Members of Student Exchange Committee attended the event and Professor Ming-chung Chu (朱明中教授) encouraged exchange students to actively participate in College activities and enjoy their journey at Hong Kong.
Student representatives shared with participants some useful Cantonese expressions, some must-dos in Hong Kong and tips for a fruitful exchange life at the College and CUHK. They had a great time interacting with each other. May we invite you to join us and give the exchange students a warm welcome on campus.

2. Creativity Laboratory – Startup talk x Frame bag Workshop

Creativity Laboratory (c!ab) invited Miss Cathy K.K. Sham (岑家琪小姐), the startup business owner, to share a talk and lead a workshop on 20th Aug 2021. Cathy was one of the judges for the pattern design of frame bag cloth competition, which was organized by c!ab previously.

The design of the champion, 1st and 2nd runner up were adopted for the frame bag workshop and all the participants could choose their preferred pattern to create their own frame bag. Participants not only made the product successfully but also learnt a lot about running a business, the uses and changes of fashion purse and so forth.

The student conveners of c!ab (clabbers), Miss Kelly P.L. Chan 陳珮淋同學 (BSCI/1) and Miss Mabel M.L. Lau 劉茗麗同學 (PACC/1) shared their thoughts on how difficult it is to strike a balance between meeting the market needs to sustain the business and creating a work with artists’ aesthetic style. The talk was really inspiring and we look forward to having similar talks in the future.

5. Vaccination and Testing Arrangements for Hostel Accommodation in 2021/22

While embracing summer, we are planning for better preparation in the next academic year. The University has issued an announcement recently entitled “Latest Health Advisories from the University for New Academic Year” to strongly encourage students to receive COVID-19 vaccination at the earliest opportunity and lay out directions on student activities and hostel accommodation arrangements for 2021/22. In alignment with the University policy, we strive to resume normal capacity at hostels while safeguarding the health and wellbeing of all our students and colleagues.

Hostel accommodation presents challenges for physical distancing. Shared spaces can also increase the risk of cross-infections. Student residents are therefore strongly encouraged to get COVID-19 vaccine. Vaccination bookings could be made via the following link: https://www.covidvaccine.gov.hk/en/. Students who have queries on the efficacy and safety of vaccination may refer to the recording of “Information Session on Vaccination and Testing Arrangements” held on 17th May at https://www.wys.cuhk.edu.hk/news/information-session-on-vaccination-and-testing-arrangements/. The session was conducted in Cantonese and supplemented by slides in English. You may also consult with your family doctor for medical advice.

To identify infected people who are asymptomatic, student residents who have not been vaccinated against COVID-19 will be required to undergo an entry test before admission to hostel and a COVID-19 test every two weeks afterwards at their own expense. Those who have been fully vaccinated for more than 14 days can be exempted from entry and serial tests. Detailed arrangements will be worked out in due course. Students who have a contraindication to vaccination and encounter financial difficulties to cover the cost of serial test may seek assistance from College.

Whether you are vaccinated or not, all members of College should continue to follow all College preventive and control measures against COVID-19, including mask wearing, social distancing and frequent hand washing.

Stay healthy and positive. We look forward to welcoming you back to the campus in September!
